NOTICE

Electricité du Cambodge (EDC) has the honor to inform the public that in accordance with the Policies for Electricity Sector of the Royal Government of Cambodia (RGC) formed in accordance with the Sixth Mandate of the National Assembly, RGC has the ambition to manage and strengthen the development of electricity sector in order to "reach and achieve sufficient, sustainable, reliable, quality and affordable electricity supply for all categories of consumers throughout the Kingdom of Cambodia". EDC has continuously provided grant to the Department of Rural Electrification Fund of EDC (hereinafter referred to as the "REF") in order to continuously implement "**Program for Providing Assistance to Develop Electricity Infrastructure in Rural Areas**". This program is on-going program from 2013 and will also be implemented in 2021. The purpose of this program is to facilitate the private electricity supplier in rural areas, having legal license to supply electricity, to access fund for investment for expansion of electricity supply infrastructure to fully cover its authorized distribution area so that all rural households therein have access to electricity for use. Under this program, REF will provide interest free assistance for investment on electricity infrastructure in rural areas with medium density of population and will provide part of the infrastructure cost as grant and part of the infrastructure cost as interest free assistance for investment on electricity infrastructure in rural area with low density of population. The private electricity supplier shall payback the interest free assistance in monthly installment within 8 years or within the validity of license whichever is earlier.

The private electricity supplier has to apply to REF for Providing Assistance to Develop Electricity Infrastructure in Rural Areas in the prescribed format. If REF and Electricity Authority of Cambodia (EAC) accept the proposal, then the contract for this program will be signed between REF and the private electricity supplier. The private electricity supplier has to construct the electricity infrastructure by its own resources. REF will verify the progress and make disbursements in installment depending on the work progress.

For further information, please contact Mr. Chum Chandara via 015 776-770 / 011 244-246 or Mr. Tach Kieng Mony via 016 988-685 or REF via 089 776-770 / 023 997-600 or fax 023 997-601 or visit REF department located at building No. 205, national road No. 5, Sangkat Kilometer 6, Khan Russeykeo, Phnom Penh.
